About Sylvania Platinum Limited

Sylvania Platinum is a lower-cost producer of platinum group metals (PGMs) (platinum, palladium and rhodium) and chrome with operations located in South Africa. The Sylvania Dump Operations (SDO) is comprised of seven chrome beneficiation and PGM processing plants focusing on the retreatment of PGM-rich chrome tailings materials from mines in the Bushveld Igneous Complex (BIC). The Group also holds mining rights for PGM projects in the Northern Limb of the BIC.
