

Volspruit Mining Company (Pty) Ltd: Integrated Application for a WML and EA, proposed S102 amendment of existing mining right

ENGLISH

Dear Stakeholder

The following information is being sent to all stakeholders who registered as interested and affected parties (I&APs) during the Scoping Phase of the Scoping and Environmental Impact Reporting (S&EIR) process for the above referenced integrated application for a Waste Management Licence (WML) and an Environmental Authorisation (EA) associated for the proposed section 102 amendment of an existing mining right held by Volspruit Mining Company (Pty) Ltd (the Applicant).

EcoPartners (Pty) Ltd (EcoPartners), the independent Environmental Assessment Practitioner appointed by the Applicant to undertake the S&EIR process would like to inform you that the Final Scoping Report for the above application was submitted to the Department of Mineral Resources and Energy (DMRE) on Friday, 8 March 2024. The Final Scoping Report is available for download from the EcoPartners website at <https://www.ecopartners.co.za/projects/>.

In terms of the Environmental Impact Assessment Regulations, 2014 (as amended), the DMRE has 43 days to review and either accept or reject the Final Scoping Report. If the Scoping Report is accepted the S&EIR process may continue to the Impact Assessment Phase. During the Impact Assessment Phase, the environmental specialist studies will be completed and the findings of these studies will be made available for comment. EcoPartners will notify all registered Interested and Affected Parties when the draft Environmental Impact Report and Environmental Management Programme are available for public comment. The reports will be made available for public comment for a minimum of 30 days.

We look forward to your continued participation in the S&EIR process.

Beste Belanghebbende

Die volgende inligting word aan alle belanghebbendes gestuur wat as belanghebbende en geaffekteerde partye (B&GP's) geregistreer het tydens die Konsepfase van die Konsep- en Omgewingsimpakstudie (K&OIS)-proses vir die bogenoemde geïntegreerde aansoek om 'n Afvalbestuurslisensie (WML) en 'n Omgewingsmagtiging (EA) verbonde aan die voorgestelde artikel 102-wysiging van 'n bestaande mynreg wat deur Volspruit Mining Company (Edms) Bpk (die Aansoeker) gehou word.

EcoPartners (Edms) Bpk (EcoPartners), die onafhanklike omgewingsevalueringpraktisyn wat deur die Aansoeker aangestel is om die K&OIS-proses te onderneem, wil u graag inlig dat die Finale Konsepverslag vir bogenoemde aansoek by die Departement van Minerale Hulpbronne en Energie (DMRE) ingedien is op Vrydag, 8 Maart 2024. Die Finale Konsepverslag en kan afgelaai word vanaf die EcoPartners-webwerf by <https://www.ecopartners.co.za/projects/>.

Ingevolge die Omgewingsimpakbepalingsregulasies, 2014 (soos gewysig), het die DMRE 43 dae om die Finale Konsepverslag te hersien en te aanvaar of aftewys. Indien Die Konsepverslag aanvaar word kan die K&OIS-proses voortgaan na die Impakfase. Tydens die impakfase sal die omgewingspesialisstudies voltooi word en die bevindinge van hierdie studies sal vir kommentaar beskikbaar gestel word. EcoPartners sal alle geregistreerde Belanghebbende en Geaffekteerde Partye in kennis stel wanneer die Omgewingsimpakverslag en Omgewingsbestuursprogram beskikbaar is vir publieke kommentaar. Die verslae sal vir 'n minimum van 30 dae vir openbare kommentaar beskikbaar gestel word.

Ons sien uit na u voortgesette deelname aan die K&OIS-proses.
